PROFILE INFO

Motivated and enthusiastic front-end developer with hands-on experience in React.js and cloud integration using AWS. Skilled at building responsive, user-friendly applications and eager to expand my skills in back-end technologies like Node.js. Passionate about learning new technologies and contributing to impactful projects in a collaborative environment.

TECHNICAL SKILLS

- **Frontend:** React.js, JavaScript (ES6+), HTML5, CSS3, Responsive Design, Redux.
- **Cloud Services:** AWS (S3, Lambda, CloudFront), Deployment, CI/CD, Serverless architecture
- **Backend:** Understanding of Node.js, Express.js
- **Version Control:** Git, GitHub
- **Other Tools:** REST APIs, Webpack, Docker, Agile methodologies, Unit testing (Jest)

EXPERIENCE

Front-End Developer Intern

HNG 11 Internship | 2024

Telex

- Developed and optimized React.js components for web applications, focusing on improving user experience and performance.
- Collaborated with cross-functional teams to deliver front-end solutions integrated with AWS cloud services (S3 for storage, Lambda for serverless functions).
- Assisted in setting up CI/CD pipelines using AWS CloudFormation and CodeDeploy, automating deployment processes for faster release cycles.

Video Generation App

Self-Initiated Project | React.js, AWS, AI Models

ClipPulse

- Developed a cutting-edge app that uses AI to generate personalized short videos, leveraging machine learning for content creation.
- Built the frontend in React.js and integrated AWS cloud services for storage and deployment of AI-generated assets.
- Designed the app to handle high-traffic scalability with serverless architecture, ensuring fast and seamless video generation.
- Implemented responsive design with React.js, optimizing for speed and performance across devices.

EDUCATION

07/24 - 09/24 | HNG11 Internship

Frontend Track

03/23 - 04/24 | Alt School Africa

Cloud Engineering

08/21 - 09/22 | Alx Africa

Software Engineering

02/14 - 09/19 | The Polytechnic Ede

Higher National Diploma (HND)

Business Administration

SOFT SKILLS

- Strong problem-solving skills
- Effective communication in collaborative settings
- Quick learner and adaptable to new technologies
- Attention to detail
- Time management

LANGUAGES

- English
- Yoruba

HOBBIES

- Contributing to open-source projects
- Attending tech meetups and conferences
